

WD TV[®] Live[™] Media Player

**Get maximum entertainment
on your TV.**

Stream movies, shows and music
Enjoy your personal media collection
Easy to set up, easy to use

Wirelessly stream the latest movies, hit shows, online entertainment, live TV, plus your home videos and photos in Full-HD 1080p. With more options than any media player in the market, WD TV Live delivers maximum entertainment to your TV.

PUT YOUR LIFE ON IT[®]

WD TV Live Media Player

Product Features

Endless entertainment on your TV

Stream hit movies, view the latest viral videos, catch up on shows, stay connected to your social network, and watch highlights from the biggest games of the season.

Your media collection belongs on the big screen

Enjoy your media library, home videos, vacation slideshows and favorite songs on your HDTV in Full-HD 1080p.

Enjoy media from any source

Stream videos, music and photos from your USB drive, network drive, digital camera, camcorder and any PC or Mac® computer in your home.

Enjoy live TV anywhere

Extend your living room TV experience around the home or around the world. Just add a Slingbox to stream live TV, watch programs on your DVR and more.

Ready, set, stream

The WD TV Live media player connects to your high-speed Internet connection wirelessly, no PC required. Or use the Ethernet port to connect to your wired home network.

Turn your smartphone into a touch-screen remote

Control your WD TV experience with the swipe of a finger using the free WD TV Remote™ app. Available for iOS™ and Android™ mobile devices.

Bring the arcade to your HDTV

Swap gems with Rockswap, try your luck with Texas Hold'Em or test your math skills with Sudoku.

Stay updated with RSS feeds

Stay posted on your favorite bloggers and websites and stream the latest audio and video with timely RSS feeds.
